

You are invited to **The World We Want: This is What Sustainability Looks Like** at the Brilliant Cultural Centre in Castlegar, on Saturday Nov. 8<sup>th</sup> from 10:30 to 6:45 pm.

This event will provide valuable opportunities to learn about climate change and to explore alternative steps towards a healthier future.

**The World We Want** includes 2 key note speakers, the highly acclaimed film, ***Cowspiracy***, participatory workshops, multimedia presentations, displays, uplifting songs by a massive choir and a vegetarian potluck lunch. Please bring some food to share. Portions of this forum will be professionally videotaped & mounted on YouTube.

Keynote speaker, **Dr. Richard Hebda**, University of Victoria (Biology, Earth and Ocean Sciences), will speak about local and global climatic changes and impacts to our environment, economy and lifestyles and **Herb Hammond** will introduce "Ecosystem based Conservation Planning: An Important Response to Climate Change".

Workshops will feature:

- Rebuilding Local Self Sufficient and Resilient Food Systems
- Passive House Designs and Co-housing Developments
- Community Based Forestry Practices and Watershed Conservation

- Climate Change, Green Jobs and Economy
- Renewable Energy
- Sustainable Transportation Options
- Influencing Policy and Organizing for Environmental Change
- Climate Change: Its Impacts on Water Sources, Waterways, Conservation and Stewardship

The cost is only \$20 for the day. We are looking for many volunteers, please contact us if you can help.
